

Hutchison Engineering, Inc.

Since 1945

Jacksonville • Quad Cities • Peoria • Shorewood

GENERAL

Hutchison Engineering, Inc. is a full-service civil engineering firm with offices in Jacksonville, Moline, Peoria, and Shorewood Illinois. With a 75 year history of working in Illinois, we have a well-established client base throughout the state. We routinely work on some of the biggest transportation projects in Illinois. We are looking to hire talented, enthusiastic May 2021 college graduates to help us grow our offices in Jacksonville, Moline, Peoria, and Shorewood, Illinois.

JOB DESCRIPTION

As an entry-level civil engineer, you will be working under some of the most talented transportation engineers in Illinois on projects for a variety of public agencies including the Illinois Department of Transportation, County Highway Departments, and Municipalities. In this role, your job duties will include, but are not limited to assisting with the development of plans and specifications for road and bridge reconstruction and rehabilitation projects and construction inspection.

SPECIFIC REQUIREMENTS

The specific requirements for the position include:

- Bachelor's Degree from an accredited Civil Engineering program
- FE/EIT Certification
- Full-time employment
- Microstation or AutoCad experience, preferred
- Ability to work overtime as needed
- Must be willing to work outside in various weather conditions as required
- Must be able to lift up to 10 pounds and occasionally lift and/or move up to 25 pounds
- Must have a valid Illinois Driver's License

SALARY & BENEFITS

We offer competitive salaries and benefit packages including the following:

- Medical Plan with HSA Contributions
- Prescription Drug Program
- 401(k) with Company Contributions
- Tuition Reimbursement
- Time-off Benefits

Please apply by emailing cover letters and resumes to Shane Larson at slarson@hutchisoneng.com.
