

Hutchison Engineering, Inc.

Since 1945

Carbondale • Jacksonville • Quad Cities • Peoria • Shorewood

GENERAL

Hutchison Engineering, Inc. is a full-service civil engineering firm with offices in Jacksonville, Moline, Peoria, and Shorewood, Illinois. With a 75 year history of working in Illinois, we have a well-established client base throughout Illinois and southeast Iowa and routinely work on some of the most complex transportation projects in those regions. We are experiencing growth in project assignments throughout the Quad City area and therefore are seeking a talented, enthusiastic transportation design engineer with 5-25 years of experience to work with our growing design team with the potential to become a Project Manager in our Moline, IL office.

JOB DESCRIPTION

As a design engineer in our Moline office, the successful candidate will be working on projects ranging from complex DOT projects to smaller locally funded municipal and county projects. Specific tasks will include:

- Preparing scope, schedule, and budget for engineering agreements
- Preparing preliminary engineering reports
- Utility coordination including conflict resolution
- Environmental coordination with state agencies
- Pavement Design
- Intersection Design Studies
- Roadway Geometric Design
- Drainage design including open and closed storm water systems
- Handicap Accessibility Design
- Preparing plans, specifications for contract bid documents
- Preparing construction cost estimates
- Client coordination including written and verbal communication
- Managing project teams of varying sizes
- Training less experienced staff
